DECriS European Summer School (DESS)

21st – 26th August 2022 in Hildesheim (Germany)

WHERE?

Hildesheim | Germany

Interested in Information Science?

You want to enjoy a unique learning experience in an international group at in Germany? You want to learn about basic information science? You want to enroll in a MA program in LIS and come from another discipline or want to enroll in another university? You want to receive a student grant for participation?

The DECriS European Summer School on Information Science (DESS) is an intensive one-week teaching event for BA students who want to enroll in a MA program in information science. The lectures for core areas in LIS will enable students to close their knowledge gaps and to prepare better for MA programs.

You will meet students and professors from other countries and other schools of Information Science. Enjoy networking and studying with many other students.

Program

The courses of DESS will cover the four following areas:
- Advances in Information Science
- Research Methodology in Information Science
- Information Seeking and Retrieval
- Evaluation of Information Services

In the mornings, there will be interactive lectures and in the afternoons, students will work on group assignments. In adddition, a social program will allow you to experience the historic city of Goslar. All meals will be served at the premises and all classes will take place there. Rooms are reserved for participants from Sunday until Friday.

You can arrive there via the city of Göttingen and the closest airports are Hanover, Berlin and Frankfurt.

Student Grants

Several student grants are available for students who want to enter a MA program in LIS. Most grant recipients are nominated by the partner universities involved in the DECriS project (https://decris.ffos.hr/): University of Osijek, University of Hildesheim, University of Barcelona and University of Library Studies and Information Technologies, Sofia.

Nominated students will receive room and board in Hildesheim (5 nights) plus travel support of up to 275 € based on expenses.

Other students can register for a price of 150 € and are admitted if space is available.
