Digital Education for Crisis Situations: Times when there is no alternative (DECriS)

The first Multiplier Event of the **Project Digital Education for Crisis Situations: Times in which there is no alternative (DECriS)** (<https://decris.ffos.hr/>) will take place on November 4 and 5, 2021, in a **hybrid mode** (via Zoom and face-to-face) at the Faculty of Information and Media, University of Barcelona.

DECriS is an Erasmus+ Project (2020-1-HR01-KA226-HE-094685) coordinated by the University of Osijek (Croatia), with partners from Stiftung Universität Hildesheim (Germany), Universitat de Barcelona (Spain), University of Library Studies and Information Technologies (Bulgaria) and Sveučilište u Zagrebu Sveučilišni računski centar (Croatia).

Under the title **State-of-the-Play on Digital Education during the Covid-19 Crisis** first results of the DECriS Project on the use of digital teaching methods and resources during the Covid-19 pandemic will be reported, with special emphasis on Open Educational Resources (OER). Also, national and international experts and guests will present their work and experiences related to the topic, with the aim of encouraging discussion.
