The present also were other colleagues from the partners' HEIS.

Proposed Agenda was accepted unanimously. Main Coordinator's Report consisted of three parts that covered administrative and financial issues, DECriS project's Platform and DESS 2021 Report. Then several reports of IOs followed. M. Mičunović reported on IO 1, C. Urbano talked about preparations for Multiplier event – ME1 and Tutorial - Tut 1.

After the break, T. Mandl reported on preparations for DESS 2022 and C. Urbano on preparations for IO 2.

The host organized dinner for all participants. During the dinner discussion continued.

In the morning of the second day, T. Todorova reported preparations for IO 3 and Multiplier event – ME 2. All reports were followed by discussion and suggestions.

After the break, I. Jandrić talked about preparations for Multiplier event – ME 3 and Tutorial – Tut 2 in Zagreb.

Under the item Other business, we discussed the time-line that was realized as planned so far. Also, we discussed the different ways the administration in each partner HEI is covering the financial issues and concluded that we should adapt to the situation following the signed agreements as precise as possible, as well as the framework of the main Agreement between AMPEU and University of Osijek as beneficiary HEI.
